

# Abicon®

## Sodium Alginate USP & Potassium Bicarbonate BP

### Composition

Abicon® Tablet: Each tablet contains Sodium Alginate USP 500 mg & Potassium Bicarbonate BP 100 mg.

### Pharmacology

Abicon® works by forming a raft (thick layer) on top of the stomach contents soon after it has made contact with the stomach acid. The raft acts a strong physical barrier and helps keep all the components of the stomach contents in the stomach where they work, not letting them seep back up into the esophagus where they hurt.

### Indications

Treatment of symptoms of gastro-oesophageal reflux, such as acid regurgitation, heartburn and indigestion (related to reflux), for example, following meals or during pregnancy or in patients with symptoms related to reflux esophagitis.

### Dosage & Administration

Abicon® Tablet:

Adult & Child over 12 years: 1-2 tablets daily 4 times, after meal and at bed time.

Child 6-12 years: 1 tablet daily 4 times, after meal and at bed time.

### Contraindications

Sodium Alginate & Potassium Bicarbonate is contraindicated in patients with known hypersensitivity to these preparations.

### Warnings and Precautions

Should be prescribed with caution in patients with renal impairment and congestive cardiac failure.

### Side Effects

In addition to the desired effects of the drug, some side effects may appear such as: skin rash, difficulties in breathing. In these cases consult a physician.

### Use in Pregnancy & Lactation

Abicon® can be given in pregnant & lactating women.

### Use in Children & Adolescents

Upon consultation with a doctor, recommended to use in children & adolescents.

### Drug Interaction

If you are taking other medicines concomitantly, or have just completed another drug treatment, inform your physician.

### Overdose

Over dosage with this formulation is a rare case. In case of over dose please consult with a registered physician.

### Storage

Store at temperature not exceeding 30°C in a dry place. Protect from light and moisture.

### Packing

Abicon® tablet: Each box contains 3x10's tablets in blister pack.

Medicine: Keep out of reach of children
